

BlinksMed

7 Policies — Admin / Customer / Vendor Web Check

Walkthrough for Vedit and seniors · 11 September 2026 · Websites only (not mobile apps)

Live sites Admin admin.blinksmed.com · Customer www.blinksmed.com · Vendor vendor.blinksmed.com

Only 7 policies. No 8th “Vendor Onboarding Agreement.” Vendor e-sign uses **Vendor / Seller Policy**. CMS text is the source of truth. Each accept logs the **exact published version**.

1. The 7 policies

#	Policy	Open this URL	Customer	Vendor	Must accept?
1	Terms of Use	/terms-and-conditions	Show	Show	Yes — register
2	Privacy Policy	/privacy-policy	Show	Show	Yes — register. Extra tick if Unique ID or Rx file is attached
3	Vendor / Seller Policy	/vendor-seller-policy	Hide	Show	Yes — vendor register + onboarding typed-name e-sign
4	Rental & Purchase	/rental-and-purchase-policy	Show	Can view (Settings / dashboard)	Yes — customer checkout (one bundle tick)
5	Cancellation & Refund	/cancellation-refund-policy	Show	Hide	Yes — same checkout tick. Also on order / cancel
6	Shipping & Delivery	/shipping-delivery-policy	Show	Hide	Yes — same checkout tick. Also on product (pincode)
7	Grievance Redressal	/grievance-redressal-policy	Show	Show	No — display only (footer + Help)

Each URL should open title, version, date, and full CMS text — not “Page not found.” Use Ctrl+F5 if you see an old page.

2. Admin — manage and proof

- ☐ **Legal Documents** — <https://admin.blinksmed.com/admin/website-content/legal> — all 7 **Published**
- ☐ Open any policy → edit / draft / publish. Placement grid = where it shows and whether a tick is required
- ☐ **Legal Acceptances** — <https://admin.blinksmed.com/admin/website-content/legal/acceptances>
- ☐ After a test accept, a row shows: who, policy, **version**, screen (register / checkout / onboarding / reconsent), site (customer_web / vendor_web), IP, and **signed name** for vendor e-sign

Admin place-order for a customer skips customer legal ticks (admin is acting for them).

3. Customer web

Page	See	Accept?
Register	Terms + Privacy (tappable)	Tick required
Login	No mandatory tick	—
Footer / Settings	Terms, Privacy, Grievance	Display
Product (pincode card)	Rental + Shipping	Display
Checkout	Rental + Cancel + Shipping	One bundle tick
Checkout + Unique ID or Rx	Extra Privacy tick	Required only then
Skip ID and Rx	—	Place Order still allowed
Order detail / Cancel	Cancellation (+ Shipping)	Display
Help / Support	Grievance	Display
After Terms/Privacy republish	Re-consent popup	Must accept

Rx file stays on the phone/PC until Place Order. Leave checkout without ordering → file is discarded.

5. 15-minute walkthrough — tick as you go

Admin

- ☐ 7 published policies
- ☐ Open Shipping → full text
- ☐ Legal Acceptances page opens

Customer (www / blinksmed.com)

- ☐ Register blocked until Terms + Privacy
- ☐ /shipping-delivery-policy opens (no 404)
- ☐ Product page shows Rental + Shipping
- ☐ Checkout blocked until bundle tick
- ☐ Add Unique ID or Rx → extra Privacy tick
- ☐ Skip Unique ID and Rx → can still Place Order
- ☐ Cancel / Help show the right links

4. Vendor web

Page	See	Accept?
Register	Terms + Privacy + Vendor / Seller	Tick required
Onboarding e-sign	Vendor / Seller + type full name	Name required
Dashboard / Settings / Footer	Terms, Privacy, Vendor / Seller, Rental (view)	Display
Help / Support	Grievance	Display
Cancellation / Shipping	Not on vendor	—
After Terms / Privacy / Vendor Seller republish	Re-consent popup	Must accept

Vendor

- ☐ Register blocked until Terms + Privacy + Vendor / Seller
- ☐ Onboarding needs typed name on Vendor / Seller
- ☐ Settings shows Terms / Privacy / Vendor / Seller / Rental
- ☐ No Cancellation / Shipping on vendor

Proof in Admin

- ☐ One customer register
- ☐ One vendor e-sign (typed name)
- ☐ One customer checkout
- ☐ Legal Acceptances shows those 3 rows with version + screen
